Around Okayama Station Map

Okayama City Momotaro Tourist Information Center

The center is near Shinkansen Gate, on the second floor of Okayama Station. Sightseeing brochures of Okayama Prefecture and neighboring prefectures are available in English, Chinese, and Korean. English-speaking staff are always available. We can provide you with information of events and places to eat and drink. Please feel free to drop in when you need help. Wi-Fi is also available, making the center a good base for obtaining tourist information.
